Counsel,

Attached are updated hit counts for your revised terms. Many of Headwater's revised and unrevised terms are still significantly overbroad and improperly use "OR" searches, which expressly violates the terms of the ESI orders.

Given Headwater's request to meet and confer, can you please propose some times this week? Thank you.

Thanks Michelle - see attached for our further revised terms. Please confirm Verizon will begin producing ESI docs by next week. To the extent there are any remaining objections, please provide hit counts for those terms and let us know your availability early next week to meet and confer.
